Reasons to Consider Precision Board Plus HDU (High Density Urethane)

Redwood/Cedar

Increasingly Difficult to Buy.

***Added Labor Costs For Biscuits, Dowels,
Planing, Rods, Etc.***

Grain Complications.

Artistic Limitations.

No warranty.

Precision Board Plus

Greater Availability.

***Decreased Labor Costs due to large
sheet sizes and quicker job completion.***

***No Grain unless You want it. Easy to
add where you want it.***

***More Creative, larger designs, lighter,
and easier to install. Your Customer
will see an Artistically Superior and
longer lasting creation made from
Precision Board Plus.***

Life of the Sign Warranty.

Who Has The Bidding Advantage???

(Not To Mention Better Profit Margins)

***Coastal Enterprises
